L.O

Grade 1

Semester 1

English: Grade 1, Semester 1

Matter Form and Function

Big Idea: English is like a living organism in that it evolves in that words change, new words emerge and others disappear.

EN.1.01 - Interact orally to start, maintain and close a conversation on topics of interest and familiar matters, primarily concrete in nature (everyday life, travel, school life), using simple, but primarily spontaneous language. (Week 01 - Week 01)

Essential Questions: Interact orally to start, maintain and close a conversation on topics of interest and familiar matters, primarily concrete in nature (everyday life, travel, school life), using simple, but primarily spontaneous language. [ENS.1.01]

Skills:

STEM education is an inquiry-based learning.

Concepts:

What makes the STEM graduates different?
the grand challenges of Egypt?

What are the 21st century skills?

What are

Evidence:

The ministry decrees.

Texts & References: SPEAKING - Ask questions to know more about the curricular, the assessment system, the capstone projects, the URT exam and the scholarships.

Capstone Connection: Address the exponential population growth and prepare for the impact

Grand Challenge Connections: Classroom discussion. Classroom rules (group norms) on a poster.

EN.1.02 - Develop and strengthen writing as needed by planning, revising, editing, rewriting or typing. (Week 01 - Week 01)

Essential Questions: Develop and strengthen writing as needed by planning, revising, editing, rewriting or typing. [ENW.1.01]

Skills:

Writing helps you move easily among facts, inferences, and opinions without getting confused—and without confusing your reader.

Concepts:

How do I fit in with the STEM school?

Evidence:

The PPT of the writing process.

Texts & References: WRITING - Reflection

Analysis

Capstone Connection: Increase opportunities for Egyptians to stay and work in Egypt

Grand Challenge Connections: Paragraph describing self: background, ambitions, interests. Fill in a form of personal details.

EN.1.03 - Develop a personal vocabulary dictionary of the STEM subjects to clarify the meaning of unknown words. (Week 02 - Week 02)

Essential Questions: Develop a personal vocabulary dictionary of the STEM subjects to clarify the meaning of unknown words. [ENV.1.02]

Skills:

The availability of resources promote students' autonomous learning.

Concepts:

How may modern technology affect the acquisition of a foreign language?

Evidence:

Paperback and online dictionaries, thesaurus, wikis, encyclopedia.....etc.

Texts & References: STRUCTURE AND VOCABULARY - Use appropriate dictionaries for a variety of purposes, definitions, parts of speech

Capstone Connection: Reduce urban congestion and its impact

Grand Challenge Connections: - Quiz on utilizing dictionaries

EN.1.04 - Use appropriate dictionaries for a variety of purposes, definitions, parts of speech (Week 02 - Week 02)

Essential Questions: Use appropriate dictionaries for a variety of purposes, definitions, parts of speech [ENV.1.01]

Skills:

Technology promotes students' autonomy.

Concepts:

What enhances second language acquisition

Evidence:

Paperback and online dictionaries, thesaurus, wikis, encyclopedia.....etc.

Texts & References: STRUCTURE AND VOCABULARY - Use appropriate dictionaries for a variety of purposes, definitions, parts of speech

Capstone Connection: Reduce urban congestion and its impact

Grand Challenge Connections: A dictionary quiz

EN.1.05 - Produce clear and organized piece of writing, using correct grammar, spelling and punctuation. (Week 02 - Week 02)

Essential Questions: Produce clear and organized piece of writing, using correct grammar, spelling and punctuation.

[ENW.1.02]

Skills:

Team work is an essential part in any successful experience.
Being ambitious and conscientious to reach our far-fetched dreams

Concepts:

How have Nobel laureates changed the face of the world?
What other international contests can you name?

Evidence:

The internet
Hello Famous Egyptians

Texts & References: WRITING - Researching the achievements of some famous people worldwide.
Taking notes.

Capstone Connection: Increase opportunities for Egyptians to stay and work in Egypt

Grand Challenge Connections: A group presentation of the notes (name, nationality, job, achievement, education)

EN.1.06 - Demonstrate the ability to gather data relevant to the essential question, issue, and/or problem.
(Week 02 - Week 02)

Essential Questions: Demonstrate the ability to gather data relevant to the essential question, issue, and/or problem. [ENC.1.02]

Skills:

Learning other languages gives you access to a greater range of information about your subject and enables you to communicate with students and researchers from other countries.

Concepts:

How have famous Egyptians changed the nation and the world? What successful people can give back to society?

Evidence:

The internet
Hello Famous Egyptians

Texts & References: CRITICAL THINKING - Oral presentation following a rubric.

Capstone Connection: Increase opportunities for Egyptians to stay and work in Egypt

Grand Challenge Connections: In groups, students write and present a biography of some Nobel Laureates
(in groups)

Aung San Suu Kyi, Martin Luther King, Albert Einstein, Nelson Mandela, Marie Curie, Mahatma Gandhi
(H.W. Research on Dickens & the Industrial Revolution) (using flipped classroom strategy)

EN.1.07 - Conduct short as well as more sustained research projects based on focused questions, demonstrating understanding of the subject under investigation. (Week 03 - Week 03)

Essential Questions: Conduct short as well as more sustained research projects based on focused questions, demonstrating understanding of the subject under investigation. [ENH.1.01]

Skills:

Prolific writers are witnesses of their ages.
Revolutions have an obvious impact on societies

Concepts:

Why are Dickens' masterpieces highly appreciated?
What impact did revolutionary movements have on the European society?

Evidence:

The ministry text. A video of the Industrial Revolution.Oliver Twist Intro

Texts & References: RESEARCH - Writing a biography

Summarising

Capstone Connection: Reduce urban congestion and its impact, Work to eradicate public health issues/disease

Grand Challenge Connections: Oral presentation of Dickens biography & the British society during the Revolution

EN.1.08 - Read, comprehend and appreciate the values, beliefs and practices of both national and target cultures. (Week 03 - Week 03)

Essential Questions: Read, comprehend and appreciate the values, beliefs and practices of both national and target cultures. [ENR.1.04]

Skills:

Miserable childhood influences personal traits.

Concepts:

What are the responsibilities of the individual in regard to issues of social justice?

Evidence:

The ministry text. Oliver Twist Chapter 1

Texts & References: READING - Compare and contrast the life of orphans in the Novel & Egypt.

Grand Challenge Connections: Writing a summary of the chapter.(following certain tips) Draw the summing up star Find the three connections (text to self, to text, to the world)

EN.1.09 - Extract and summarize salient points in text. (Week 03 - Week 03)

Essential Questions: Extract and summarize salient points in text. [ENR.1.11]

Skills:

Writing anticipates the readers' needs. It also demonstrates one's intellectual flexibility and maturity.

Concepts:

How does literature influence the way we think, act, and perceive the world?

Evidence:

Hello Unit 2 Charles Dickens

Texts & References: READING - Determine the author's intentions based on reading the text.

Capstone Connection: Reduce urban congestion and its impact, Work to eradicate public health issues/disease

Grand Challenge Connections: A quiz using critical thinking questions (H.W. URLs to decide their multiple intelligence & learning styles)

EN.1.10 - Participate effectively in class discussions and debates (pairs, small groups, and whole class) by asking questions, stating ideas and opinions. (Week 04 - Week 04)

Essential Questions: Participate effectively in class discussions and debates (pairs, small groups, and whole class) by asking questions, stating ideas and opinions.

[ENS.1.03]

Skills:

- The human brain is constructed to function synchronizingly.
- Senses enhance our human experience and our communications.

Concepts:

Why are our senses important to us?

What do you suppose would happen if you had a super sense (e.g. owl vision, dog's sense of hearing, sharks' sense of smell)

Evidence:

Hello Unit 3 The Power of the Mind

Texts & References: SPEAKING - Debating

Capstone Connection: Reduce urban congestion and its impact, Increase efficient use of our land through improved use of arid areas, Reduce pollution fouling our air water and grounds

Grand Challenge Connections: • Debate nature vs. nurture

- Quiz on past tenses & vocab.

EN.1.11 - Listen attentively to get pieces of information to complete comprehension tasks, and Identify gist and main ideas (Week 04 - Week 04)

Essential Questions: Listen attentively to get pieces of information to complete comprehension tasks, and Identify gist and main ideas [ENL.1.01]

Skills:

Architecture reflects the culture and lifestyle of any nation.

Concepts:

What are the purposes of building houses?

How nature may affect the design of houses.

Evidence:

Upstream B2 Unit 1 My Home is my castle (p.6 & 7)

Texts & References: LISTENING - Evaluate multiple perspectives on the issue of housing.

Capstone Connection: Work to eradicate public health issues/disease

Grand Challenge Connections: Answer comprehension questions.

EN.1.12 - Use appropriate vocabulary to describe people, places, events and experience. (Week 04 - Week 04)

Essential Questions: Use appropriate vocabulary to describe people, places, events and experience.

[ENV.1.04]

Skills:

Egypt's grand challenges.

Sustainable building materials.

Concepts:

- Why there are many different architecture models of houses.
- Why people built castles in the past.

Evidence:

Upstream B2 My Home is my Castle (p.8, 9 & 10)

Texts & References: STRUCTURE AND VOCABULARY - Develop conclusions based on evidence and reasoning.

Identify and describe suitable areas for housing.

Capstone Connection: Address the exponential population growth and prepare for the impact, Reduce urban congestion and its impact, Increase efficient use of our land through improved use of arid areas

Grand Challenge Connections: Vocabulary and structure quiz.

Write an essay describing the different designs of building.

Chapter 2

(Distributing u. 5

Hello to be prepared for presentation, jigsaw strategy)

EN.1.13 - Making predictions about upcoming information in different literary genres (Week 05 - Week 05)

Essential Questions: Making predictions about upcoming information in different literary genres [ENR.1.07]

Skills:

Nobody is born with criminality or evil spirit but it is developed from the environment and external influences including poverty, bad company and other people's humiliation.

Concepts:

How does the story reveal the weaknesses of the society at that time? What makes the characters distinguished?

How can stories from other places and times relate to our current lives?

Evidence:

Oliver Twist text book and the internet Oliver Twist Ch.2

Texts & References: READING - Connect the main events with real life situations.

Capstone Connection: Work to eradicate public health issues/disease

Grand Challenge Connections: Writing a summary.

Drawing the summing up star

EN.1.14 - Use technology to produce and publish writing and interact with each other, this includes the basic keyboarding skills. (Week 05 - Week 05)

Essential Questions: Use technology to produce and publish writing and interact with each other, this includes the basic keyboarding skills. [ENW.1.03]

Skills:

The importance of morals, stamina, strength and determination.

Concepts:

To what extent can sport represent the culture of any society?

Evidence:

Hello Unit 4 People and their lives

Texts & References: WRITING - Skimming

Scanning

Rereading to check meaning and information

Capstone Connection: Address the exponential population growth and prepare for the impact, Work to eradicate public health issues/disease, Increase efficient use of our land through improved use of arid areas

Grand Challenge Connections: Create a Facebook profile for their role model.

EN.1.15 - Deliver short factual presentations that clearly introduce the theme and purpose of presentation, provide evidence to support each main idea, present a clear conclusion, and encourage audience questions and discussion. (Week 05 - Week 05)

Essential Questions: Deliver short factual presentations that clearly introduce the theme and purpose of presentation, provide evidence to support each main idea, present a clear conclusion, and encourage audience questions and discussion. [ENP.1.02]

Skills:

Reading literature of cultural traditions and values fosters tolerance, reduce prejudice and increases appreciation of cultural diversity.

Concepts:

What kinds of problems do people have, and how does literature help us cope with them? What are the elements that build a strong friendship?

Evidence:

Hello Unit 5 Ernest Hemingway

Texts & References: PRESENTATION - Analysing the main character and themes of a piece of literature.

Capstone Connection: Reduce urban congestion and its impact, Increase efficient use of our land through improved use of arid areas, Reduce pollution fouling our air water and grounds

Grand Challenge Connections: Drawing an infographic of the story.

EN.1.16 - Identify and correctly use idioms, phrasal verbs, collocations and affixes (Week 06 - Week 06)

Essential Questions: Identify and correctly use idioms, phrasal verbs, collocations and affixes [ENV.1.03]

Skills:

Idioms and idiomatic

expressions are words and phrases

that cannot be translated literally

from one language to another.

Concepts:

How does our understanding and use of

idiomatic expressions enhance and enrich
our ability to communicate?

Evidence:

Upstream B2 Unit 1 My Home is my castle (p.11, 12, 13)

Texts & References: STRUCTURE AND VOCABULARY - Draw pictures of the given idioms.

Capstone Connection: Work to eradicate public health issues/disease

Grand Challenge Connections: Replace the given words with the appropriate phrasal verb.

EN.1.17 - Identify and discriminate sound, stress and intonation patterns. (Week 06 - Week 06)

Essential Questions: Identify and discriminate sound, stress and intonation patterns. [ENL.1.02]

Skills:

Active listening is a multi-task process that involves receiving, understanding, evaluating, remembering and responding.

Concepts:

What are some strategies for effective communication for oral presentations?

Evidence:

Upstream B2 Unit 1 My Home is my castle (p. 14, 15)

Texts & References: LISTENING - Giving feedback on what the speaker has actually said.

Capstone Connection: Increase opportunities for Egyptians to stay and work in Egypt

Grand Challenge Connections: A listening quiz

EN.1.18 - Use strategies before, during and post reading /skimming and scanning. (Week 06 - Week 06)

Essential Questions: Use strategies before, during and post reading /skimming and scanning. [ENR.1.03]

Skills:

Reading about history reveals continuity and change over time.

Concepts:

What do castle symbolize?

Evidence:

Upstream B2 Unit 1 My Home is my castle (p. 16, 17)

Texts & References: READING - Annotate the reading texts to answer relevant questions.

Capstone Connection: Reduce urban congestion and its impact, Increase efficient use of our land through improved use of arid areas, Reduce pollution fouling our air water and grounds

Grand Challenge Connections: the semester's writing project

EN.1.19 - Gather relevant information from multiple print and digital sources, assess the credibility and accuracy of each source and integrate information while avoiding plagiarism and following a standard format for citation. (Week 07 - Week 07)

Essential Questions: Gather relevant information from multiple print and digital sources, assess the

credibility and accuracy of each source and integrate information while avoiding plagiarism and following a standard format for citation. [ENH.1.02]

Skills:

People rely on a variety of resources to obtain information. New information may result in a new idea or a change of stance.

Concepts:

Why is information organized in different ways?

Evidence:

Hello Unit 6 Tomorrow's world

Texts & References: RESEARCH - Demonstrate understanding of the subject under investigation.

Capstone Connection: Work to eradicate public health issues/disease

Grand Challenge Connections: Group presentations covering the following points: 1. development of the car. 2. Interior & exterior parts of the car. 3. car accidents. 4. kinds of fuels (past, present & future) 5. Cars & pollution. 6. How to drive safely.

EN.1.20 - Determine the meaning of words and phrases as they are used in the text. (Week 07 - Week 07)

Essential Questions: Determine the meaning of words and phrases as they are used in the text. [ENR.1.02]

Skills:

Guessing meaning from context is an important technique that will improve the reading technique.

Concepts:

1- What are the most stressful life events for you? Why? 2- Why do you think people have various kinds of ceremonies around the world?

Evidence:

Upstream B2 Unit 2 While there is life, there is hope (p. 20 & 21)

Texts & References: READING - Use contexts to understand the meaning of the new vocabulary.

Capstone Connection: Increase opportunities for Egyptians to stay and work in Egypt, Work to eradicate public health issues/disease

Grand Challenge Connections: <http://www.ieltsbuddy.com/guessing-meaning-from-context.html>

EN.1.21 - Identify and explain the function of essential short story or novel elements, characters, setting, conflict, plot, climax, resolution, theme and tone. (Week 07 - Week 07)

Essential Questions: Identify and explain the function of essential short story or novel elements, characters, setting, conflict, plot, climax, resolution, theme and tone. [ENR.1.08]

Skills:

Going through a series of unfortunate events and hardships never justifies our evil deeds.

Forgiveness is the gentlest answer to cruelty

Concepts:

How does where we live influence how we live?

Evidence:

The ministry version.

Texts & References: READING - Reflect on how Oliver's misfortune deprived him of happiness.

Capstone Connection: Work to eradicate public health issues/disease

Grand Challenge Connections: Use the three connection strategy (text to self, to text and to the world)

EN.1.22 - Verbally summarize a text, lecture or listening passage by stating the main topic, main ideas and significant details, using simple structures and a range of vocabulary appropriate to the topic. (Week 08 - Week 08)

Essential Questions: Verbally summarize a text, lecture or listening passage by stating the main topic, main ideas and significant details, using simple structures and a range of vocabulary appropriate to the topic.

[ENS.1.02]

Skills:

literature can serve as a vehicle for social change.

Concepts:

What are the responsibilities of the individual in regard to issues of social justice?

Evidence:

The ministry version. Oliver Twist Ch. 4

Texts & References: SPEAKING - Analyze the causes and effects of a problem and solve it.

Capstone Connection: Reduce urban congestion and its impact, Increase efficient use of our land through improved use of arid areas, Reduce pollution fouling our air water and grounds

Grand Challenge Connections: Practicing the RAFT strategy.

EN.1.23 - Differentiate between facts and opinions. (Week 08 - Week 08)

Essential Questions: Differentiate between facts and opinions. [ENR.1.05]

Skills:

The breakthrough in science might not provide radical solutions to epidemics.

Concepts:

1- Why is cleanliness important?

2- Do you think there is a relation between overpopulated areas and infectious diseases?

Evidence:

Hello Unit 7 Health & Safety

Texts & References: READING - Present scientific information.

Capstone Connection: Increase opportunities for Egyptians to stay and work in Egypt, Work to eradicate public health issues/disease

Grand Challenge Connections: Group presentations covering the following points: 1. Kinds of bacteria and sterilization. 2. Louis Pasteur 3. Bird Flu 4. The Egyptian's most serious diseases. 5. Hygiene and sanitation. 6. Quiz

EN.1.24 - Demonstrate respect for diverse experiences and cultures. (Week 08 - Week 08)

Essential Questions: Demonstrate respect for diverse experiences and cultures. [ENS.1.04]

Skills:

Different cultures shape the definitions of good and evil.

Concepts:

What factors shape our values and beliefs?

Evidence:

Hello Unit 8 William Sakespeare Youtube King Lear video

Texts & References: SPEAKING - Criticize a literary text.

Capstone Connection: Increase opportunities for Egyptians to stay and work in Egypt,

Grand Challenge Connections: A court trial for Lear's daughters for their filial ingratitude.

EN.1.25 - Use technology resources to check pronunciation, spelling (Week 09 - Week 09)

Essential Questions: Use technology resources to check pronunciation, spelling [ENV.1.05]

Skills:

Technology is a tool for helping language learners to use the target language in a cultural appropriate ways to accomplish authentic tasks.

Concepts:

What are the advantages of using technology in language acquisition?

Evidence:

Upstream B2 Unit 2 While there's life, there's hope (p.22 & 23)

Texts & References: STRUCTURE AND VOCABULARY - Describe physical features and feelings.

Capstone Connection: Increase industrial base for Egypt

Grand Challenge Connections: A gussing game to recognize the identity of their colleagues.

EN.1.26 - Identify and correctly use idioms, phrasal verbs, collocations and affixes. (Week 09 - Week 09)

Essential Questions: Identify and correctly use idioms, phrasal verbs, collocations and affixes. [ENV.1.03]

Skills:

Idioms and idiomatic
expressions are words and phrases
that cannot be translated literally
from one language to another.

Concepts:

How can we use and interpret idiomatic expressions so that they communicate the intended message?

Evidence:

Upstream B2 Unit 2 While there's life, there's hope (p.24: 27)

Texts & References: STRUCTURE AND VOCABULARY - Draw pictures of the given idioms.

Capstone Connection: Work to eradicate public health issues/disease

Grand Challenge Connections: Replace the given words with the appropriate phrasal verb.

EN.1.27 - Listen to comprehend and demonstrate appreciation for the values, beliefs and practices of both national and target cultures. (Week 09 - Week 09)

Essential Questions: Listen to comprehend and demonstrate appreciation for the values, beliefs and practices of both national and target cultures. [ENL.1.05]

Skills:

understanding the cultural context of language enhance our ability to communicate?

Concepts:

How can understanding a language enhance our understanding of the culture it represents?

Evidence:

Upstream B2 Unit 2 While there's life, there's hope (p.28: 29) (Listening & speaking)

Texts & References: LISTENING - Listening actively (taking notes, asking questions and commenting)

Capstone Connection: Reduce urban congestion and its impact, Increase efficient use of our land through improved use of arid areas, Reduce pollution fouling our air water and grounds

Grand Challenge Connections: Role play to speak about themselves.

EN.1.28 - Read, analyze and deduce meaning from a variety of texts. (Week 10 - Week 10)

Essential Questions: Read, analyze and deduce meaning from a variety of texts. [ENR.1.06]

Skills:

The values, norms, and perspectives of a culture are reflected in the language used within that culture.

Concepts:

How can learning another language enhance our ability to navigate the global culture?

Evidence:

Upstream B2 Unit 2 While there's life, there's hope (p.30: 31) (literature corner, Jack & Jill)

Texts & References: READING - Analyse the text.

Capstone Connection: Address the exponential population growth and prepare for the impact, Work to eradicate public health issues/disease, Increase efficient use of our land through improved use of arid areas

Grand Challenge Connections: Choose your favorite scene from the text and draw it.

EN.1.29 - Write narratives to develop real or imagined experiences. (Week 10 - Week 10)

Essential Questions: Write narratives to develop real or imagined experiences. [ENW.1.04]

Skills:

Language is the medium through which we acquire and share information, ideas, thoughts, beliefs, perspectives, emotions, and feelings.

Concepts:

How do we present

information, concepts and ideas in another language?

Evidence:

Upstream B2 Unit 2 While there's life, there's hope (p.32: 33) (writing a story)

Texts & References: WRITING - Use technology to publish their stories.

Capstone Connection: Work to eradicate public health issues/disease

Grand Challenge Connections: Write a story (a comedy, a thriller, an adventure, a detective, a fairy tale and/or a spy story)

EN.1.30 - Develop and strengthen clarity of presentation by planning, organizing notes and visuals, and practicing without reading prior to formal delivery. (Week 10 - Week 10)

Essential Questions: Develop and strengthen clarity of presentation by planning, organizing notes and visuals, and practicing without reading prior to formal delivery. [ENP.1.04]

Skills:

Exploring the perspectives, practices, products, and languages of different cultures provides insight into one's own culture, and contributes to one's understanding of the diversity of other cultures in a global society.

Concepts:

What are some effective ways to practice presentation?/

Evidence:

Hello Unit 9 It's a small world

Texts & References: PRESENTATION - Design an oral presentation with a written script.

Capstone Connection: Increase opportunities for Egyptians to stay and work in Egypt,

Grand Challenge Connections: Individual presentations about tourist attraction indifferent countries.

EN.1.31 - Demonstrate awareness of the ethical use of ICT, including citing resources and copyrights. (Week 11 - Week 11)

Essential Questions: Demonstrate awareness of the ethical use of ICT, including citing resources and copyrights. [ENW.1.09]

Skills:

Writing helps you move easily among facts, inferences, and opinions without getting confused—and without confusing your reader

Concepts:

Technology helps create a global community where information is exchanged in multiple languages through varied media.

Evidence:

<http://www.globalissues.org/>

Texts & References: WRITING - Tracking cause and effect.

Capstone Connection: Reduce urban congestion and its impact, Increase efficient use of our land through improved use of arid areas, Reduce pollution fouling our air water and grounds

Grand Challenge Connections: The semester's writing project.
